### 步骤二 无忧听写练习（参考答案见章末）

不看下文，听录音，按照录音中的要求，把你听到的内容写到空白练习纸上。

Farlington, Utah, is a more pleasant community since a local girls' 4-H club improved Main Street. Six 4-H girls worked to clean the 72 foot curbside that was covered with weeds, rocks and trash. Each member **volunteered** to clean up and to dig in plot, five flats of flowers. They also took terms in watering, weeding and maintaining the **plot**. Participation in this project helped the girls developed a new attitude towards their parents of their own homes; they've learned how to work with tools, and improve their work habits. One mother said that before her daughter was involved in this project, she would not even pour a weed. The experience on Main Street **stimulated** self-improvement, and encouraged members to take pride in their home grounds and the total community. City officials cooperated with the 4-H members in planting trees, building cooking **facilities**, pick-me tables, swings and public rest rooms. The 4-H girls planted trees and took care of them during the early stages of growth. The total park project needed more plantings in the following years. Members of the 4-H club agreed to follow the project through to completion, because they receive satisfaction from the results of **constructive** work. The project is a growing one and is spreading from the park to the school and the shopping center. Trees and flowers have all been planted in the shopping center, making the atmosphere pleasant.
